

Hope Lutheran School Supplies 2018-2019

This is a list of supplies needed to begin the school year. You will need to check with your child and refill or replace items as needed throughout the year. All supplies and clothing must be labeled with the child's name or initials, including each crayon, marker, pencil, etc. Please label all pencils on the eraser end. **Calculator and assignment books will be available for purchase at registration. Calculators do not have to be purchased from the school.**

Art supplies do not need to be purchased. Each student in grades K-8 is charged a \$15.00 art fee, which is part of the school fees. The school will purchase the art supplies and provide them for the students during the school year.

Kindergarten
