

Wish List for 2015/16

Updated on 9/25/2015

Parents often ask if there is something in particular that the teachers or staff need. We have created this "wish list" with that in mind. Please don't feel you need to make a contribution; it is strictly for your convenience in case you were interested in doing so.

Some of the items you'll see here may already be in the current budget. However, if God gives you a special passion for a certain item that can be used to change lives, this is your chance to make a specific investment. Your gift may free up budgeted dollars for other items in the same area of the school. Thank you!!
